As the parent or legal guardian of the student signing above, I have read and discussed this Appropriate Use Expectations with my child and grant permission for my son/daughter to use computers and the Internet. I understand that the school's computing resources are designed for educational purposes. I also understand that it is impossible for the school to restrict access to all controversial materials and I will not hold them responsible for materials acquired on the Internet. I understand that individuals and families may be held liable for violations. I hereby give permission to issue an account for my child.

DECLINE ACCESS TO THE INTERNET

The Division believes that the benefits to educators and students from access to the Internet in the form of information, resources and opportunities for collaboration; far exceed any disadvantages of access. However, we respect the family's right to decide whether or not access is to be allowed.

I will not use the Internet at school and will try not to look when others are using it.
