

AUTISM 201

EVERGREEN EVER GROWING PARENT LEARNING OPPORTUNITIES

Autism 201

This presentation will dive deeper into what autism is and share practical strategies to help you interact with and support autistic individuals. We will cover the strengths and challenges experienced by many autistic people and how to respond to create accommodating environments. Lastly, we unpack what might trigger a meltdown and how to help de-escalate the situation. Limited childcare is available for ages 0 - 5 years.

Presented in partnership with Autism Edmonton, Grasp Play and Learn Kits, and Parkland School Division.
