ASSOCIATE SUPERINTENDENT – LEARNING

We are very pleased to announce that Cindy Escott has been appointed as the new Associate Superintendent - Learning for Evergreen Catholic Separate Regional Division No. 2, effective August 6, 2019. Cindy's dedication to Evergreen Catholic, passion for student success, desire to seek creative solutions and belief in innovation will be an excellent match for the Division's vision: "Ever Growing, Learning and Living in Christ".

Cindy completed her Master of Educational Leadership from the University of Alberta in 2009. She has over 23 years of education experience as teacher and administrator in Evergreen Catholic Schools and has most recently served as principal of St. John Paul II Catholic School in Stony Plain. Her energy, creativity and enthusiasm to serve students, staff and parents will be an exceptional fit for this leadership role. Upon receiving the appointment, Cindy stated, "Evergreen Catholic is an outstanding school division filled with amazing staff, students and families. I am humbled by the opportunity to work with our stakeholders in a learning capacity to ensure the success of all of our students. I am very proud to be part of ECSRD as we continue to promote the highest quality Catholic Education in a changing and dynamic society. I'd like to thank the staff and families of St. John Paul II Catholic School for their continued support over the past ten years. I will truly miss our students but I look forward to connecting with them in my new role. For the challenges that lie ahead, I take comfort in the words of our patron saint, St. John Paul II, "Be Not Afraid."

We are pleased to have Cindy join our leadership team given her experiences in promoting continuous improvement and academic background in educational leadership. She will bring new perspectives, a dedication and passion for Catholic education, and expertise to our division. We wish Cindy continued success in fostering her vision, "Every Student Finds Success", in this new position.
