

Announcement **DEPUTY SUPERINTENDENT**

It is with pleasure that we announce the appointment of Mr. David Dempsey to the position of Deputy Superintendent of Evergreen Catholic Separate Regional Division No. 2 effective August 1, 2019. Mr. Dempsey's experiences as a teacher, school administrator and most recently, as division principal and associate superintendent, will prove invaluable in his new role. Our ever-changing educational landscape has highlighted the need for a responsive and innovative education system which ensures that student success is at the center of every decision we make. Transformational education and educational leadership have been passions of Dave's since he entered administration twenty-two years ago. Dave brings with him experience in leading division instructional coaches and a vision of how learning is evolving in this era of change.

Dave earned a Master of Educational Leadership degree from the University of Portland (2005) with a focus on participatory leadership and teacher efficacy. He most recently served as Associate Superintendent – Learning in Evergreen Catholic Schools. Upon receiving the new appointment, Dave Dempsey stated, "It's an exciting time to be involved in educational leadership as we approach the greatest wholesale curriculum change in Alberta's history during a time of fiscal restraint and accountability. I look forward to the opportunity of working with the staff, students, parents and community of Evergreen Catholic Schools to ensure that, as we are in this state of great transition, we hold true to our main purpose of supporting the growth of strong moral students grounded in faith and love, students who are ever growing, learning, and living in Christ."

Dave has over thirty years of educational experience as a teacher and administrator in Evergreen Catholic Schools. His varied and extensive experiences will serve Dave well in his new role and support our division with human resource management. We invoke God's blessings on Dave in his new position and wish him continued success in Catholic educational leadership.
