Students should have these supplies as soon as possible so we can begin to be settled into our new school year. If you choose, most supplies can be purchased at our school store at the beginning of the school year. Please label everything, as often scissors, pencils, and erasers look the same. As your child runs out/uses up/loses supplies during the year, a note will be sent home in the agenda informing you of what is needed.

Please note that each child needs two pairs of running shoes- one for outside and a clean pair for indoor/gym use. To keep our school clean, students will be asked to remove their outdoor shoes in the boot room and change into their indoor shoes in the classroom. These do not have to be new running shoes, just clean.

I am looking forward to meeting all students and parents. I look forward to a fun and productive year with you!
