

Hello! My name is Tammy Gauthier and I will be your child's teacher for first grade for the 2018-2019 school year. I am really looking forward to teaching your child. The following is a list of supplies that is essential for next year. I will have a package prepared for your child on his/her first day of school with the necessary supplies for grade one. I strongly encourage you to purchase this package from the school, as it makes it so much easier if everyone has the same materials. You do not have to spend the summer shopping for school supplies, and your child will have everything they require on the first day. Please send the appropriate money on the first day of school with your child. The total cost is included below. Have a terrific summer and I can't wait to see you in the fall!
